

THE ORANGE COUNTY HOUSING TRUST PRESENTS

ORANGE COUNTY HOUSING SUMMIT IV

New Ideas and New Directions: Looking Towards the Future

May 20, 2010, UCI Student Center
8:00 am Registration, 8:30 am to 2:30 pm Summit

Dear Community Partner:

The Orange County Housing Trust (OCHT) is preparing to host its fourth annual Orange County Housing Summit on May 20, 2010. We are very excited for this year's event because we see it as an important opportunity for civic leaders and housing industry professionals to come together to discuss and share ideas about our current economic conditions. What can be done to strengthen our county and optimize housing opportunities?

OCHT has a focus on workforce housing. We see ourselves as a vehicle to address the relationship between housing, transportation, business, and the environment in Orange County. We promote regional planning and cooperation by implementing down payment assistance programs and predevelopment financing throughout the County. Along with homeownership and development lending, one of OCHT's goals is education. The Summit is our primary tool to unite Orange County's housing, planning, and municipal communities and facilitate discussion and learning.

In the light of our economic condition and the drastic changes Orange County's housing market has seen over the past year, we believe next year's event will be particularly beneficial in generating creative ideas and possible solutions to the challenges we face. Orange County Housing Trust's Housing Summit is the largest event of its kind in Orange County. Gaining support from community sponsors is a vital part of coordinating the summit and we hope that you can support OCHT by being a co-host for next year's event. By contributing to next year's event, you will not only be supporting the development and financing of workforce housing in Orange County. Your contribution will go towards an event that will bring together academics and professionals who will search for planning and financing options for the county's future.

This year's housing summit will be held on May 20, 2010 at the University of California, Irvine Student Union from 8:30 am to 2:30 pm. Registration will begin at 8:00 am. Please see the following list of sponsorship categories in order to become a co-host for the 2010 Orange County Housing Summit. Sponsorships are tax deductible. Orange County Housing Summit IV is proud to recognize our current co-hosts which include Neighborhood Housing Services of Orange County, Urban Land Institute Orange County District Council, Orange County Division of League of California Cities, Building Industry Association of Orange County, UCI Paul Merage School of Business-Center for Real Estate, Orange County Business Council, Orange County Association of REALTORS®, Pacific West Association of REALTORS®, and the Orange County Chapter of Lambda Alpha International.
